LIVE 2012/13

Erkan Aki has for many years been a fixture of Europe's popular classic scene and one of its most versatile and extraordinary artists. This professionally trained tenor's artistic spectrum ranges all the way from opera to musicals to movie soundtracks and even chansons. His unique style of interpreting rock and pop classics makes him equally appealing to young and old alike.

His voice has won over not only his fans in Germany, Austria and Switzerland but also a number artists from a wide variety of musical backgrounds like **Xavier Naidoo**, **Patricia Kaas** or **Sarah Brightman** who have successfully paired up with him in duets.

During the 2012/2013 winter season, *Erkan Aki* will start his "Christmas Moments" concert tour featuring his first Christmas album entitled "Romantische Weihnachten" ("Romantic Christmas") and will be available for exclusive bookings for your pre-Christmas events or Christmas parties.

The "Christmas Moments" concert program will feature world-famous international Christmas classics like "Ave Maria"; "Es ist ein Ros entsprungen"; "Non ti lascio mai"; "Oh Tannenbaum"; "Was zählt, ist die Liebe" (Adeste Fideles); "Still, still, still"; "Die letzte Nacht" or "Oh, du fröhliche". During his 2012/2013 "Christmas Moments" tour, *Erkan Aki* will be accompanied by outstanding world-class musicians (alternating pianist and violinist). Additional musicians (string player/cello player) or a band/orchestra can be provided if within the budget.

Erkan Aki will be the unforgettable highlight gracing every corporate event, Christmas party (featuring his own "Christmas Moments" program), New Year's event, festival, or TV broadcast.

Book a concert appearance from the "Unforgettable Moments" tour to enjoy one of the most famous contemporary tenor voices and enrich your concert program or event with an appearance by one of the popular classic scene's international superstars.
